URBAN SPIRIT

Mögen Sie es bunt?

So könnten Sie hier fründig werden und trotzdem zur Ruhe kommen. Denn in Urban Spirit trifft sich das außergewöhnlich verspielte Design mit monochromen und aufgeräumten Motiven. Ein klein wenig trendiges Blau ist schon dabei - mal sehen was 2020 hier noch so mit sich bringt.

Verweilen erwünscht!

DO YOU LIKE IT COLOURFUL?

Then you may find something in here and still come to rest. Because in the section Urban Spirit the extraordinarily playful design meets monochrome and tidy motifs. A little bit of trendy blue is already there - let's see what 2020 brings with it.

Lingering desired!

VOUS AIMEZ LE COLORÉ?

Vous pouvez trouver un style coloré mais en même temps reposé ici. Parce qu'au Urban Spirit le design extraordinairement ludique rencontre des motifs monochromes et soignés. Un peu de bleu tendance est déjà présent - voyons ce que 2020 apporte.

Restez avec nous!

VI PIACCONO I COLORI?

In questa linea troverete sia colori vivaci che rilassanti. Perché in Urban Spirit i motivi divertenti incontrano quelli monocromatici e geometrici. Un pizzico di blu (il nuovo trend di quest'anno) è già qui...vediamo che altro porterà il 2020.

Rimanete con noi!

Anna Flores

Intensive Farben, ausdrucksstarke Motive, zauberhafte Kompositionen: Diese Eigenschaften zeichnen die Werke der deutschen Künstlerin aus. Anna Flores ist der direkte Zugang zur Kunst ebenso wichtig wie die Prise Romantik in ihren Bildern, die unsere moderne Gesellschaft von der nüchternen Sachlichkeit abkehren soll.

Intense colours, expressive motives and enchantingly crafted compositions are the hallmarks of this German artist's work. For Anna Flores, creating art that is accessible is crucial – as well as the touch of romance that she incorporates into her images. Through her art, she aims to move our modern society away from its sober, dispassionate sensibilities.

Des couleurs intenses, des motifs expressifs et des compositions magiques: ces propriétés caractérisent les œuvres de l'artiste allemande. Anna Flores attache dans ses tableaux autant d'importance à l'accessibilité de l'art qu'à la dose de romantisme qui nous propose une alternative à la sobriété terre-à-terre de notre société moderne.

Colori intensi, motivi espressivi, composizioni incantevoli: queste sono le caratteristiche delle opere di questa artista tedesca. Per Anna Flores il contatto diretto con l'arte e il tocco romantico tipico delle sue creazioni hanno la stessa importanza e lo stesso scopo: voltare le spalle al freddo realismo della società moderna.
